What are the essentials of a first class college? The answer will justify our claim that no College for women is of higher grade than

GOUCHER COLLEGE

BALTIMORE, MARYLAND

(Formerly the Woman's College of Baltimore)

1. The **FACULTY** is composed of finely-trained teachers, men and women of refinement and judgment, who are interested in the normal and complete development of their students.

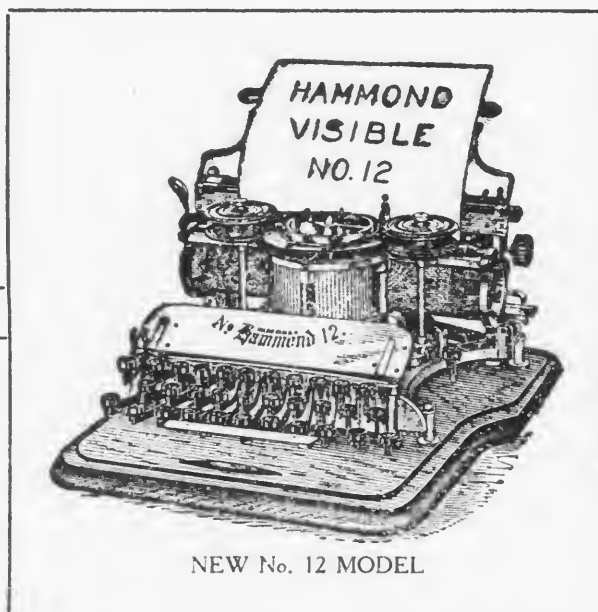

2. The **EQUIPMENT** of the College is adequate and elegant. On the scholastic side there are modern recitation rooms, laboratories, libraries, museums and other halls; on the home side there are dormitories with excellent facilities. The grounds are spacious.

3. The **LOCATION IN BALTIMORE** is advantageous. The charm of quiet culture is still a distinction of this well located city. Such institutions as the Johns Hopkins University, the Maryland Institute, the Walters Art Gallery and the Peabody Conservatory of Music enrich the life of students. Baltimore is not a place of competing diversions and distractions, and is a safe place for residence.

4. The **CURRICULUM** of the College is approved and is not an experiment. The educational value of every study is known. Much of our work is **required**; although generous **elective courses** are offered. Vocational work as such is not attempted. We have deliberately decided to emphasize the educational significance of an approved curriculum, and not spread out into fields of novelty or specialization. The course of study leads to the only degree now given by the College, **Bachelor of Arts**.

5. The **ATMOSPHERE** of the College is what determines its traditions, contributing to the happiness, refinement, strength of character, and ideals of the students. The atmosphere of Goucher College is healthful and helpful. There are no senseless and artificial distinctions such as rich girls and poor girls; there are sane judgments based on merit.

6. The **PHYSICAL NEEDS** of students are well provided for in a superbly equipped gymnasium, and all girls are required to take exercises prescribed by an experienced physician and teacher. Such field sports as are well adapted to growing womanhood are sanctioned and encouraged.

7. The **REQUIREMENTS FOR ADMISSION** are practically similar to those of all good Colleges. Fifteen "points" must be presented, ("Point" and "Unit" are similar terms, and mean a full-week study pursued a whole school-year) for admission; but the "points" may be selected from a generous list. Good preparation is urged upon all who intend to apply for admission.

8. The **PURPOSE OF THE COLLEGE** is to train young women for complete womanhood. Commendations have already been received from all parts of the world. It is the intention of the trustees, administration and the friends of the College to increase facilities in such ways as to realize this purpose even more fully.

PRESBYTERIAN MINISTERS' FUND

(For Life Insurance)

In the "Insurance Year Book" the Fund outranks all other Insurance Companies in its low mortality experience, low expenses of management, and large and increasing benefits to policy-holders.

In "1911 Dividends and Net Cost of Insurance" the Fund is shown to carry its insurance at a net cost much lower than that of its nearest competitors.

In the "Fourth Annual Report of the Carnegie Foundation" and in its chapter on life insurance, there is the following statement in reference to the Fund: "Its policy contracts excel in liberality those of any other company, offering greater surrender values, lower interest on loans to policy-holders, lower initial premiums and lower subsequent net costs."

Whereas, The generous dividend of \$2,100.00 from Michigan Christian Advocate to the two Conferences in this state, has been made possible this year only by the sacrifice of the entire editorial staff in the cutting of salaries; therefore,

Resolved, That we highly appreciate this spirit of self-denial and that we will meet it half way by pledging ourselves as pastors:

First, to do our full duty by our superannuates and Conference claimants;

Secondly, by pushing to the highest limit the circulation of the Advocate on all our charges the coming Conference year;

Thirdly, by requesting Bishop Anderson to appoint a committee of five to confer during the year with a like committee from the Michigan Conference and with the Advocate Board of Directors as to ways and means for increasing the circulation of our home Methodist paper.

We, the members of the Detroit Annual Conference of the Methodist Episcopal Church, respectfully petition your honorable body that you would make provision through the Conference Claimants Committee of the General Conference, or authorize them to make adequate, efficient plans to aid ministers of the Methodist Episcopal Church in care of any means that may be at their disposal, till such time as most needed by them or those dependent upon the minister for support, assuring them a reasonable income on the same, during the period of their need. Any surplus to go to the Conference Claimants' Fund.

The busy pastor, in his itinerant life, lacks time, opportunity and experience, in making safe remunerative investments, and caring for them. Then we say when we knock at the door of the Annual Conference, that "we are determined to employ all our time in the work of God." “Your Committee on Resolutions of Courtesy present the following report:

We are grateful to Almighty God for an annual session exceptionally free from annoying or distressing incidents. We owe this delightful experience in largest measure to the urbane administration of our presiding Bishop, William F. Anderson.

We deeply appreciate the fact that in his formal, administrative duties there have been expressed both the accuracy of the careful administrator and the gracious spirit of the Christian gentlemen. We count ourselves also in his debt for his addresses and sermons. And lastly, in ‘the human touch,’ that most delicate and power-

ful of all forms and modes of human influence, we recognize that he has placed us under yet deeper obligation.

The presence, the temporary presidency and the intense and comprehensive missionary sermon of Bishop Wilson T. Lewis, furnish added reason for thankfulness.

And now, we recognize in few words but with full appreciation that it has been the unwearied devotion of Pastor E. D. Dimond and his enthusiastic and loyal people, together with the co-operating Methodism of the city, that have made us to feel the largest welcome to their beautiful city, which we were enabled to view in the delightful automobile tour provided for the Conference by the Board of Commerce.

We gratefully appreciate the publication of the painstaking assignments of guests and hosts, the excellent dining service rendered by the ladies at the church, the service of the church choir throughout the Sunday services, the commercial courtesies extended by the banks, the faithful reports printed in the city and state press, the loan of machines and operators by the Hammond Typewriter Co. the loan of adding machines by the Peninsular Milling Co. and the O. M. Smith Co., and many other kindnesses too numerous to mention.

A. W. STALKER,
EUGENE MOORE,
GEO. L. DURR,

Memoirs

SAMUEL BELL KIMMELL

Samuel Bell Kimmell was born in Somerset County, Ohio, September 14th, 1826. His parents moved to Wayne County, Ohio, when he was five years of age. In his early manhood he taught school, and at a later period studied law. In due time he gained admittance to the bar and practised law in his native state and also in Ohio.

In 1849, at the age of twenty-three, he was married to Miss Sarah Freeman, the daughter of a Baptist clergyman. He removed to Flushing, Michigan, in 1864. Three years later Rev. J. M. Gordon became his pastor and learned of an inner but unexpressed call to the ministry. He persuaded him to obey the leadings of the Spirit, abandon the practice of law, and enter the ranks of the ministry.

In 1869, at the advanced age of forty-three, he entered the Detroit Conference on trial at its session in Central Church, Detroit, Bishop Scott presiding. Revs. David Casler, W. E. Dunning, A. B. Wood and P. J. Wright were his classmates. He was ordained deacon at Monroe in 1871 by Bishop Simpson, and elder by Bishop Wiley at Ypsilanti in 1873.

He served acceptably the following charges: South Saginaw and Zilwaukee, two years; Tawas, one year; Howell, three years; Holly, one year; Sharon, two years; Fairfield, one year. A disease of the

throat, aggravated by continuous and excessive use of that organ, prevented his continuance in the active work and compelled his removal to a more salubrious climate. In 1879 he became a supernumerary and took up his residence at Flushing, Michigan. In 1882 he was superannuated, and removed to Minnesota, where he resided for eight years, first at Sauk Center and later at Melrose. In 1890 he removed to Hemet, Riverside County, California, where he spent the major portion of the last twenty years of his life. Hemet is a small town about twenty miles south and ten miles east of San Bernardino. Here his well-trained mind, sterling integrity and Christian gentlemanliness won for him the respect and esteem of the townspeople.

He died at his home in Hemet, California, on November 8th, 1910. The funeral service was held on November 10th, 1910, by his pastor, the Rev. Wesley K. Beans. Three children survive: namely, W. E. Kimmell, of Hemet, California; Miss Marion, of Corona, California; and Mrs. I. E. French, of Lapeer, Michigan. Brother Kimmell was energetic and faithful in the discharge of his religious duties and loyal to the best interests of his country. The call to exchange time for eternity came unexpectedly and suddenly, but we believe that his lamp was filled, trimmed and burning, and that we shall meet him at the marriage supper of the Lamb.

RODNEY GAGE

Rodney Gage was born in Hadley, Massachusetts, on the 27th of August, 1821. He was a scion of Puritan stock and received by inheritance and training the type of life and character fostered among the old families of New England. In 1842, at the age of 21 years, he was consciously and effectively converted to God in a prayer meeting at Warehouse Point, Connecticut. He at once united with the church and became active in its service. He became a leader of class and prayer meetings and won many souls to Christ through his exhortations. His gifts and graces soon led the authorities of the church to license him first as an exhorter and later as a local preacher. For a period of eight years he served as a local preacher and promoted numerous revivals. A sense of personal insufficiency for this work led to his entrance as a student into Wilbraham Academy. Unfortunately, acting upon the advice of a Presiding Elder who sought his services, he severed his connection with the Academy at the end of two years to supply a small charge. He served several charges in succession, each one of which was spiritually quickened by his labors.

At this juncture an opportunity to enter the Biblical Institute of Connecticut (afterward the Boston School of Theology) presenting it-

self, he took advantage of it and graduated in 1852. Thus, in some measure, he made amends for leaving the Academy before the completion of his course. Recognizing his call to the ministry while yet at Wilbraham, he united with the New England Conference in the spring of 1852 soon after his graduation. He served two years in this Conference and God honored his services. In 1852 he removed to Kansas with the tide of immigration, but a year later he returned and re-united with the Conference.

In 1862 he entered the Union army as a chaplain and served until the end of the war. In 1865, at the close of the war, he came to Michigan and entered the Detroit Conference. He supplied one year and the following year became a member of the Conference. His appointments were: Augusta, Washington, Orion, Dryden, Almont, Ithaca, Grand Blanc, Seymour Lake and Ruby. He superannuated in the fall of 1883. Before entering the Biblical Institute and while yet a supply preacher, he was married to Miss Eliza Ann Thomas. She died just before his graduation in 1852. He afterward married her sister Sarah, who died at Seymour Lake in 1880. After retiring from the active work he made his home with his daughter and her husband, Mr. and Mrs. Jason T. Owen.

He died at Farwell, Michigan, on February 25th, 1911. He was buried at Orion on March 1st, 1911. The Rev. C. E. Steadman had charge of the funeral. Brother Gage is survived by two brothers, James Gage, of Holyoke, Massachusetts, and Edward Gage, of Hartford, Connecticut. Also by three children: Channing T. Gage, of Redlands, California; Mary Gage Owen, of Farwell, Michigan; and Lilla E. Gage, of Detroit. Brother Gage was a typical Methodist preacher, believing unfeignedly the fundamentals of the gospel, seeking solely to do God's will, and earnestly and lovingly pleading with men to be reconciled to God. There are many stars in his crown.

REV. DANIEL J. ODELL.

Daniel J. Odell, the son of Mr. and Mrs. Daniel Odell, was born in Birmingham, Michigan, August 3rd, 1836. At three years of age he removed with his parents to Long Lake, Mich., where he spent his boyhood days. Here he was married to Miss Mina L. Clark. In 1871 he entered the ministry of the Methodist Episcopal Church and continued in the effective relation for a period of twenty-seven years. His pastorates were Port Austin and Caseville, Watrousville, Iosco, Waterloo, Brighton (two terms), Dearborn, Dansville, Gains, Milan, Farmington, Hartland, Clyde, Highland and Millington.

After retiring from the active work, he engaged in business, first at Durand, and later at Dundee and Howell. Eight years ago he took up his residence at Fenton and his home remained there until the time of his death. During the latter years of his life a mental derangement made him a special care for his friends.

His last hours were a fitting climax to his christian life. As the moment of transition approached he assured his pastor that he was resigned and prepared and that he was trusting fully in Christ his Savior. His daughter, Mrs. C. B. Steadman, of Orion, his brother, Oren Odell, of Long Lake, and other friends were with him at the time of his death, which occurred at nine o'clock on Tuesday evening,

August 29th. The funeral services were held on Friday, September 1st, and were in charge of the Rev. C. M. Thompson, his pastor. Several members of the Conference were present and participated in the services.

Brother Odell is survived by his wife, who has proved throughout the years a faithful, devoted and efficient helpmeet; also by a daughter, Mrs. C. B. Steadman, of Orion; a brother, Oren Odell, of Long Lake; and two sisters, Mrs. Henry Clark, of Pontiac, and Mrs. C. W. Barnum, of Hadley.

The intimates of Brother Odell speak of him as a man among men. His was a virile ministry. He was evangelical in his faith and labored with the tools that made the work of the fathers effective. He brought to every task a spirit of energy and continuity that everywhere insures accomplishment. The field in which he excelled was that of revivals and soul winning. Many will rise up and call him blessed in another world because of his agency in their salvation. He was ever loyal to the church of his choice and frequented its courts regularly after he entered the superannuated relation. The ministry of the church that he served will inscribe his name upon the roll of "Our Promoted Fellow Workers," and will perpetuate his memory in the Memorial Service of the Conference.

Many will rise up and call him blessed in another world because of his agency in their salvation. He was ever loyal to the church of his choice and frequented its courts regularly after he entered the superannuated relation. The ministry of the church that he served will inscribe his name upon the roll of "Our Promoted Fellow Workers," and will perpetuate his memory in the Memorial Service of the Conference.

GEORGE HENRY DOVER

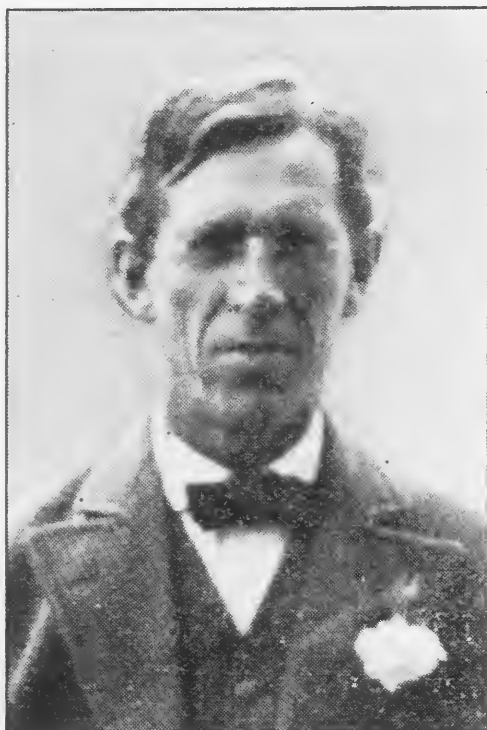

George Henry Dover was born in the city of Leeds, England, on October 18th, 1867. At the age of ten years he moved with his parents from his birthplace to London, England. There, at the age of twenty-three, he was converted. Previous to his coming to this country in 1893, he spent four years in Canada. In 1892 he severed his connection with commercial pursuits and entered the ministry of the Protestant Episcopal Church. Several years of faithful service as a local preacher preceded his entrance upon the duties of the pastorate.

While associated with the Protestant Episcopal Church he served successfully as pastor at North Branch, Blissfield, Franklin and Saginaw. On the 8th day of June, 1897, he was united in marriage to Miss Lucy Lewis. He was received into membership in the Detroit Conference from the sister denomination and appointed to the Auburn charge. He entered upon his labors with delight to himself and usefulness and satisfaction to the congregation.

A year or more ago he began to experience seasons of weakness. The cause of the weakness was not apparent. During the month of April he submitted to an operation with the expectation of securing permanent relief. He recovered from the operation and attempted to resume his labors. His strength was depleted, however, and he was

compelled to relinquish his work. The Auburn church, with kindly solicitude, granted him a vacation. He sought to recover his health at the lakesides of Oakland County, but he had not sufficient strength to reach them. The friends and physicians were generous in their ministries, but they could not prolong his life. After several weeks of suffering he passed away in great triumph. He died at Silverwood on Thursday night, August 3d, 1911. The funeral was held at the Silverwood church on Saturday afternoon, August 5th. Several members of the Conference were present and took part in the services. The interment was in the Silverwood cemetery. Brother Dover leaves a widow and three children.

In the death of this servant of our Lord the Conference loses one of its valued members. He was modest, devout and loyal. He performed the obscure parts of his work as faithfully as he did the public tasks. His ministry was symmetrical, the pulpit, pastoral and executive duties being performed with a like conscientiousness. He performed his duties joyously and thus indicated his high appreciation of his calling. His life was patterned after that of the Master, and his people loved him. Because of the singleness of mind with which he served his risen Lord, we feel assured that his rest will be sweet and his reward glorious.

EZRA TINKER

Ezra Tinker was born near Norwich, New York. He was the fourteenth child in a family of fifteen children. He entered school at the early age of four and at sixteen was placed in charge of a school as its teacher. He was the gold-medal graduate of Cazenovia Seminary and was graduated A. B. from Colgate University. In later years, in just recognition of his superior mental endowments and acquirements, several of the leading universities and seminaries conferred added scholastic honors upon him.

After teaching in an academy for three years he entered the ministry of the Methodist Episcopal Church. He served charges at Yonkers; New York City; Poughkeepsie; Trinity Church, Norwich, Connecticut; Congress Street Church, Portland, Maine; Asbury Church, Wilmington, Delaware; Towanda, Pennsylvania; Syracuse, New York; Lyons, New York; Mansfield, Pennsylvania; and the last two years and a half in the State of Michigan.

Dr. Tinker was a man of large experience, having traveled throughout the United States and in various parts of Europe. He wrote extensively for papers and magazines, and achieved prominence as a writer. He almost invariably spoke extemporaneously, and his pulpit efforts were productions of eloquence and power. His services were in demand at the principal camp-meetings from Maine to Ohio. His first wife, deceased, was Miss Jeannet Wright, of Penn Yann, New York. Four of his children have died. His only remaining son and child is Berlin W. Tinker, of Waterbury, Connecticut. Dr. Tinker married the second time Miss Cora A. Damon, of New York City, the only daughter of the Rev. E. N. Damon, of the New York Conference, and a graduate of the Genesee Wesleyan Seminary. She now survives her husband. Dr. Tinker is also survived by a sister, Mrs. McKendree Shaw, of Phoenix, New York, and also by a brother, Jeremiah Tinker, of Clay Center, Kansas.

Death found our brother at his post of duty in Marine City. The funeral services were held in the church on Friday, April 21st, 1911, under the direction of the Rev. W. J. Balmer, Superintendent of the Port Huron District. Loving hands decorated the audience room and covered the casket with the floral offerings. The speakers, associates of Dr. Tinker in the ministry of the church, paid affectionate tributes to the memory, personality and marked ability of the deceased. The casket was borne by brother ministers between ranks of the Marine City G. A. R., who were present in a body to do honor to an old comrade. The bereaved widow, accompanied by Dr. Tinker's only remaining son and his wife, left immediately after the funeral for Penn Yan, New York, where the remains were interred in the family lot. In the death of Dr. Tinker the Detroit Conference and the church at large loses a valued member.

MRS. T. J. JOSLIN

Mrs. T. J. Joslin, whose maiden name was Susan Woolver, was born in Allegheny County, in the State of New York, April 3, 1831, and died in Pontiac, Michigan, January 12, 1911.

Sister Joslin was raised a Presbyterian, but on becoming the wife of Brother T. J. Joslin, in December 24, 1859, she united with the church of his choice, and together they at once entered the itinerant ranks of the Methodist Episcopal Church, and for more than fifty years, without once a complaint, she shared in the trials and triumphs incident to the sacred work.

It is not known that Sister Joslin was ever the cause or the occasion of any sort of church broil or disturbing faction. Her piety was of the mild, undemonstrative type, which burst forth in deeds rather than declamations. She never pained her friends by a wide discrepancy between her profession and the life she lived. Death came to her almost suddenly. Awaking from sleep, she arose, walked into an adjoining room, told her husband she believed she was dying, and in thirty minutes was in heaven.

The funeral services were conducted from the family home in Pontiac by Dr. E. E. Caster, assisted by several of the ministers of the Conference. Her body rests in the beautiful Oak Hill Cemetery, awaiting the resurrection of the just.

Five children were born to our brother and sister, three of whom survive the mother's departure, namely: John H., of Alpena; Mrs. J. L. Heathcock, of Wakefield, and Dr. A. E. Joslin, of Pontiac.

REPORTS OF COMMITTEES

AUDITING COMMITTEE.

Your Committee wish to report that we have audited the accounts of the District Superintendents, pertaining to the Missionary Funds, distributed by them and find them correct. Also the itemized accounts of the Financial Secretary and the Bureau of Transportation, and find them correct. The Committee recommend that the brethren be more prompt in settling claims with the Bureau of Transportation as it will greatly facilitate their work.

D. C. PLANETTE.
G. F. TRIPP.
F. A. BLAKE.

COMMITTEE ON BENEVOLENCES.

The following organizations constitute the benevolences of our Church: Foreign Missions, Home Missions and Church Extension, Education, Sunday Schools and Freedman's Aid. The year has been a prosperous one in all departments of the Church.

HOME MISSIONS AND CHURCH EXTENSION.

In view of the fact that about one-half of all our churches in this country have been aided by donation or loan or both, this Society demands the prayers and support of the whole Church. Last year more than \$7,500 were appropriated by this Society to the Detroit Conference. The Board asks from the whole Church this year \$1,500,000.00.

SUNDAY SCHOOLS.

This Committee recommends that the Sunday School Committee shall be one of the standing Committees of the Conference and shall take the place of the present Conference Sunday School Committee, and that there shall be one member from each District. We concur in the resolution adopted by the Michigan Conference, that the Board of Sunday Schools furnish for the State of Michigan, which comprises the Detroit and Michigan Conferences, a State Superintendent of Sunday Schools in Michigan, under the supervision of the Board of Sunday Schools. For this work we pledge the hearty support of Michigan Methodism. We give our hearty support to the Bible Society, and recognize the importance of the colporteur work in the newer sections of the country, especially among our foreign population, and commend the tercentenary celebration of the translation of the King James version where not already done.

FREEDMAN'S AID.

It is gratifying to know the increasing growth of the spirit of self-help and self-reliance among the colored people in the South. As a result of the work of the Freedmen's Aid Society there are four Conferences in the South among the colored people who give more to Home and Foreign Missions than they themselves receive. Last year

the collections for the Freedmen's Aid Society from the twenty colored Conferences of our Church, amounted to \$28,750.00, or about one dollar in every four compared with what was received from the whole Church. Methodism should be especially grateful that in a little more than a generation she has developed such a constituency among these humble people, who, out of their poverty, are doing so much to help themselves.

We call special attention to the plan now on foot among the negroes of the South for a fitting celebration of the fiftieth anniversary of the Emancipation Proclamation on January 1, 1913, and to raise a thank-offering as a nucleus for the endowment of the schools of the Freedmen's Aid Society. We bid them godspeed in this most laudable undertaking.

The Missionary Societies have received great impetus during the past few years through the Layman's Missionary Movement and the Mission Study classes in the Epworth League and Sunday Schools.

JOHN DYSTANT,
Chairman.

REPORT OF THE DETROIT CONFERENCE TRUSTEES.

DEAR BRETHREN:—Your Trustees held their annual meeting in Detroit, September 14, 1911. As a result the amount which the Conference claimants will receive from the earnings of the funds in our hands will be in advance of that of last year. DEACONESS BOARD OF NINE.

The Deaconess work under the oversight of this Board is under the patronage of the Woman's Home Missionary Society, through the agency of the Detroit Deaconess Home and the missions and settlements under its charge.

The Deaconess Home, located at 53 Elizabeth Street W., is the center of the work and the home of all the Deaconesses, except those employed at the Tillman Avenue settlement who live in the settlement building at 267 Tillman Avenue.

The Tillman Avenue settlement is located in the midst of a distinctively foreign population, almost wholly Roman Catholic. This work requires the services of three Deaconesses, and is largely of a preparatory type among the children of the foreign people. The Fort Street Mission is located at 717 Fort Street West, and the work done is among young people of American type who live in close proximity to railroad yards and under conditions not conducive to moral or religious development. This Mission has the services of two Deaconesses and enjoys the active co-operation of the City Union of Epworth Leagues. During the past year a very substantial addition to the facilities of the Mission has been made by the building of a room for gymnasium purposes at a cost of about \$1,500.00, paid for by popular subscription among the Leagues and Churches of the city.

Settlements and Missions are indispensable adjuncts of Deaconess work in the city, and those under our charge are doing good service and growing in importance.

The Parish work by the Deaconesses, under appointment to Churches, is of large service to the pastors and the demand always exceeds the supply.

The rapid growth of Detroit with the consequent increase of travel and the great numbers of people coming to the city, necessitates attention to the needs of the unwary and unsophisticated element at the terminals of our railroads and steamship lines, and we have now one Deaconess whose work for the coming year will be at the depots and docks under the designation of "travelers' aid."

The Deaconesses at work during the past year have been Mrs. Margaret Delight Moors, Misses Alice E. Metcalf, Kate A. Blackburn, Deborah B. Kerfoot, Alice B. Shirey, Mary Marquiss, Bessie Dancey,

Gladys Scribner, Iva Lola Ludwick, Ethel Young and Florence E. Frost. Miss Frost has lived in the Home and been employed by the Deaconess Department of the Woman's Home Missionary Society. The licenses of all these have been renewed by the Conference Board and your approval of the renewals is hereby asked. Miss Fitz, a probationer of another Conference, was with us during the year and did good work as kindergarten teacher at Tillman Settlement. Miss Ethel Young will have charge of that work the coming year.

Misses Edith Mann, Charlotte Webb and Mary J. Harrison have come to us from other Conferences and will be numbered with our force during the coming year.

Mrs. Elizabeth M. Jay, of Flint, will enter the work on trial immediately after Conference.

Our Deaconess work during the past year has fully sustained its high reputation for devotion and efficiency, and in some respects has probably been the best in the history of the Detroit Home. Mrs. Moors has presided over the Home with her usual ability, and has represented the work in public places to the limit of her time and strength, her calls to public work being always more than she can answer.

The finances of the Home are in better condition than for some years past, the deficiency of nearly \$500.00 in our last year's report being supplanted by a cash balance of \$118.00 this year.

The indebtedness of \$2,100.00 upon the property reported last year has been reduced by \$800.00, leaving our present obligation to the Real Estate Fund only \$1,300.00.

The terms of office of Rev. William Dawe, Mrs. J. S. Vernor and Rev. C. W. Baldwin, of this Board, expire at this time, and we recommend the election of Mrs. J. S. Vernor, Rev. E. M. Moore and Rev. F. S. Rowland to the term of three years each. The members of this Board remaining in office are:

For one year—George O. Robinson, Mrs. R. S. Mason and Mrs. G. H. Stalker.

For two years—Rev. E. P. Bennett, Rev. F. D. Leete and W. Scott Jones.

Respectfully submitted,

CHAS. W. BALDWIN,
President.

EDUCATIONAL REPORT.

Methodism seeks to make men personally strong that they may be socially serviceable. To this end education has always been a largely contributing factor. The Board of Education, therefore, is entitled to our heartiest sympathy and co-operation.

"The Christian Student" and other publications of the Board are exceedingly valuable. We urge all the people to secure the literature now published by the Board of Education and to make themselves intelligent regarding the great educational work of the Church.

In taking collections we urge the pastors to keep in mind these three interests: 1. Children's Day collection for students' aid, which should amount to 10% of the Foreign Missionary collection.

2. Public educational collection which should equal at least 3% of the Missionary collection.

3. Conference educational collection which this year should be larger than ever as a token of our expectancy that Albion's second fifty years of history will far exceed the record of the first. As pastors we

should be alert to secure students and to interest men of wealth in the endowment of this splendid institution.

We urge all candidates for the ministry to take in addition to a college course, a course in one of our theological schools. Garrett Biblical Institute, Drew Theological Seminary, and Boston School of Theology, are stronger and better than ever before. Three years thus spent will result in an inner enrichment that will more than compensate for any sacrifice it may require or any temporary advantage which an earlier entering into Conference relations might seem to offer.

We recommend the following brethren to be appointed visitors:

Garrett—Dunning Idle, W. R. Fruit.

Drew—W. E. Marvin, S. W. Horner.

Boston—D. H. Ramsdell, H. G. Pearce.

Albion—C. L. Adams, W. H. Rider.

Trustees for Albion College for three years—C. W. Baldwin, D. W. Springer.

For one year—D. H. Ramsdell, E. D. Dimond, Howard A. Field, M. H. Eldred, W. G. Stephens, F. D. Leete, C. M. Merrill, D. Stanley Shaw.

REPORT OF COMMITTEE ON EPWORTH LEAGUE.

The reports of last year show a strength of 14,363 Senior Chapters, with 604,258 members, and 6,253 Junior Chapters, with 235,066 members, a total of 20,616 Chapters, and 839,324 members. The gain in the entire Church has been 154 Chapters and 5,636 members. The advance in Bible study last year was 60%. During the year two new secretaries were elected for foreign fields.

We heartily commend the institutes held for the practical training of our young people in Christian service and for their invaluable inspiration to higher ideals and more earnest service. We urge our pastors to give their hearty co-operation to the leaders of the Epworth League and to the young people in their own Chapters, believing that there is no one else capable of leading the young Methodism to that high achievement which the Church expects of them. We also call the attention of the pastors to newer methods of training as employed in the institutes and invite them to use their influence to introduce and maintain such work in the District Conventions. We recommend the hearty co-operation with the Central Office in all its efforts to develop the young people's work. We recommend the appointment of a committee of three members of this Conference as a committee on Epworth League. The State officers are: President, Rev. D. H. Glass, Pontiac; Vice President for the Detroit Conference, Rev. H. A. Field, Detroit; and for the Michigan Conference, Rev. Hugh Kennedy, Big Rapids; and Secretary, Rev. W. F. Kendrick, of Traverse City.

Respectfully submitted,

D. H. GLASS,
H. A. FIELD,
Com.

REPORT OF "CONFERENCE HISTORICAL RECORDS"
COMMITTEE.

Souvenir programs of the Centennial celebration at Central Church, Detroit, and our Monroe Church, and of the Semi-Centennial at Court Street Church, Flint, have been received and filed during the past year.

We have also received sketches of the life and ministry in our Conference of Wm. Godd, by his son, and of Josiah G. Morgan, by his wife, and would be pleased to receive similar sketches concerning our other superannuated and promoted brothers.

H. A. Leeson has turned over to us a collection of Quarterly Conference records, some dating to the first days of Methodism in South-eastern Michigan, and three manuscript journals of Judson Collins, one of the first missionaries sent out by our Church to China.

A number of our brethren have offered to the Committee books, whose authors were members of our Conference, and we have decided to start a Conference Library, to be made up of books and pamphlets, published by those who are or who have been members of our Conference.

As we have no funds we shall ask our brethren now living to donate an autograph copy of their books; and shall look to the relatives or friends of our promoted brothers to furnish us with copies of their books. We also wish to gather a Conference Album of the photographs of the present and past members of our Conference.

Any cabinet-sized photograph would be acceptable. An autograph photograph with the date of its production is desired.

We sincerely hope that all will bear our interest in mind whenever anything of an historical nature affecting our Conference occurs.

The Committee respectfully requests their continuance with the addition of Brother S. D. Eva, of Detroit.

THE STANDING COMMITTEE ON THE MICHIGAN CHRISTIAN ADVOCATE

Since new evidence has been presented to this Conference of the careful management of our Advocate in its endeavor to secure the largest savings for the superannuated claimants of our Conference, it well becomes us to respond to this spirit of sacrifice manifested in the official staff by intensifying our devotion to securing for the Advocate a larger circulation.

This paper has always been published within the bounds of our territory and a majority of its Board of Directors chosen from our number, and we cannot afford to be behind our sister Conference, in extending the circulation of this the greatest medium for the promotion of intelligent Michigan Methodism.

Therefore be it resolved:

1. That in accord with the action of the Michigan Conference Committee we set apart Sunday, October 15, to be observed in all our Churches as "Advocate Day."

2. That we request the management of the Advocate to make a special inducement rate for that date, of three months for twenty-five cents, and to all such trial subscribers the paper for 1912 for \$1.25.

3. That the Detroit Conference be thoroughly circularized heralding this day and special offer to the end that we may lift the number of subscribers within the bounds of the Detroit Conference to ten thousand.

Signed by your Standing Committee,

G. A. FEE.
A. B. LEONARD.

REPORT OF COMMITTEE ON MORAL REFORM.

Organized religion, as represented by the Church, exists to place the spirit and teaching of Jesus Christ in all the forms of the life of this world. As Christian ministers we cannot be idle spectators of the ceaseless war between the good and the bad. Among the institutions which ever retard the progress of the good is the legalized saloon. The Methodist preacher arrives at his field of labor as the avowed enemy of the saloon and the ally of all who are fighting its sway. We find in the Anti-Saloon League, the Prohibition Party and the Woman's Christian Temperance Union organizations worthy of our present support.

Our social system demands intelligent and sympathetic study. As representatives of organized religion we pledge ourselves to seek for every man a square deal, in his home life, in the chance to rear his

children without the curse of child labor, with a day of rest, and recommend that our preachers as much as possible open and sustain fraternal relations with organized labor and employers' associations.

The Sabbath, being the true bulwark of liberty and the safeguard of spiritual strength, we reiterate our call to a more conscientious Sabbath observance, both among our people and our ministers.

We deplore the prevalence of divorce in Michigan and urge that teachers and preachers exalt the sacredness of the marriage bond in the mind of our youth, and call especial attention to that part of the discipline forbidding the marriage of divorced persons, except the innocent party in a divorce on the ground of adultery.

Signed: SAMUEL JENNINGS,
C. H. RUTLEDGE,

OLD PEOPLE'S HOME.

DEAR BRETHREN:—One year ago the Home had 23 resident members. There have been no deaths during the year. Five members have been added to the family, viz.: Rebecca Ard, of Marlette; Elizabeth McArthur and Ellen R. Galbraith, of Ypsilanti; Charlotte Straight, of Wayne, and Jane Parker, of Onsted, making the membership at this date, twenty-eight. Mary Smedley is in the home at present, a probable candidate for resident membership.

With the increase of our members comes a corresponding increase of obligation upon the Board. This is not a local nor a sectional enterprise, but it belongs to the entire Conference. So a collection in support of the Home may rightly be regarded as a Conference collection.

The Home can care for about thirty-five persons. To meet the normal needs of the Conference we should have accommodations for sixty, as it has been ascertained that about one person in a thousand of our membership need the comforts of such a place.

The Treasurer's report for this Conference year show the following items of receipts, viz.:

Transferred from Admission Fund	\$1,314.00
Income from Invested Funds	1,652.80
Board and Visitors at the Home	64.50
Conference Collections (from 94 charges)	663.18
Sale of stock and poultry at the Home	47.32
Total	\$3,741.80

This does not include receipts from other charges of the Conference, received after the close of the fiscal year of the Board of the Trustees of the Home.

The following items of the Current Expense account of the Home may be of interest:

Medical attendance at the Home	\$97.70
One patient in Hospital at Ann Arbor	42.70
One patient at Pontiac Asylum	73.22
Nurse in Home	25.00
Total	\$238.42

ADMINISTRATION EXPENSE.

Salary of Treasurer	\$100.00
Treasurer's traveling and postal expenses	25.30
Secretary's traveling and postal expenses	7.20
Expense of Financial Committee	16.05
R. R. fare of members of Board	23.05
Total	\$171.60

Salaries of employees at the Home.....	\$1,509.61
Current Supplies.....	1,919.38
Monument and one marker on cemetery lot.....	103.25
Coal supply for about 1½ years.....	635.58
Total.....	\$4,657.84

We know of no institution of this kind where the current expense is so low per member as at this. We are glad to announce that through the persistent and well directed efforts of Dr. Jacklin, the Endowment Fund now amounts to some over \$22,000. An excellent laundry plant which was most urgently needed, has been installed in the basement at an expense of about \$350. Work is in progress to increase the soft water supply by the construction of a cistern that will hold about 300 barrels. This was found to be an absolute necessity.

The collections from the churches of the Conference for last year were very gratifying.

The work at the Home has so increased that it has become imperative to employ an assistant to the Superintendent the year round. The Board has taken steps toward the erection of a cottage on the grounds near the Home for the occupancy of such a person and his family.

This Board of the Conference has a sacred trust and an onerous work. The busy men on this Board never allow the interests of the Home to suffer, if any effort on their part or time spent in its interest, can prevent.

The term of office of the following members of the Board of Trustees expires at this session of the Conference, viz.: John Sweet, W. W. Washburn, J. E. Beal, E. M. Moore, J. L. Hudson and W. Scott Jones. The Board recommends their re-election for a term of three years. The other members are for the unexpired term of one year, J. E. Jacklin, H. T. Dennis, D. H. Glass, B. D. York, C. W. Baldwin and C. B. Allen.

For two years.—Seth Reed, E. P. Bennett, E. E. Caster, J. E. Mason, G. W. Olds, W. S. Campbell.

Respectfully submitted,
W. W. WASHBURN,
President Board of Trustees.

THE SUPERANNUATED PREACHERS' AID SOCIETY

ORGANIZATION.

This Society was organized December 20, 1861, for a term of thirty years; it was reorganized December 20, 1891, for a further term of thirty years.

REASONS.

The reasons for such an organization are substantially as follows: The duties of a Methodist Minister demand the whole of his time and cut him off from opportunities of accumulating money and property. He is ordinarily inadequately remunerated for his labors, and when accident, sickness or old age compels his retirement he is usually without means of support. By the course of his training and the absorbing nature of his life work he has been unfitted for easy adjustment to secular affairs. The Church having had the benefit of his best energies, should provide the pecuniary relief which the situation demands.

AIM.

This Society is authorized to raise an Endowment Fund, not to exceed \$100,000, by means of membership fees, contributions, donations, bequests and otherwise, for affording such relief.

The fund thus created is to be invested in interest bearing securities. Not one cent can be otherwise disposed of.

BENEFICIARIES.

The interest earned by the investments of the Endowment Fund is annually distributed among the following classes of claimants:

FIRST—The members of the Detroit Annual Conference who are on the superannuate roll.

SECOND—The widows of deceased members of the Detroit Annual Conference, who were married to their deceased husbands prior to superannuation.

THIRD—The minor children of the first and second classes of claimants, who are under the age of sixteen.

BENEFITS.

The distribution of the interest earnings of the investments is governed as follows:

As a basis each superannuated preacher, if married, has a claim of \$200; if single, a claim of \$100; each preacher's widow, provided she was married to her deceased husband prior to his superannuation, a claim of \$100; each minor child, under 16 years of age, whose father or mother is a claimant, a claim of \$25. However, in each case, the preacher, on account of whose services the claim rests, must have traveled and preached in connection with an annual Conference for at least six years prior to his superannuation or decease, and if the superannuated or deceased preacher shall have traveled and preached in connection with an annual Conference more than six years there is added to such fixed basis of claims $2\frac{1}{2}\%$ for each year of effective service additional to the six years. These claims are paid as far as the funds in hand for that purpose will avail.

CONDITIONS.

It is required that each preacher, on whose account claims are made, shall have paid into the Endowment Fund, not later than the end of the sixth year of his connection with an annual Conference, or at the time of his transfer to this Conference, the sum of \$50; and if such sum of \$50 has not been paid at the time of his decease or superannuation, then it is charged to his account, with interest thereon at the rate of 7% per annum from the time he should have paid it, and is a first lien on the dividends otherwise due to himself, his wife, his widow, or his minor children.

EXHORTATION.

To what better purpose can the lovers of our Methodism devote their wealth than in permanently providing that the men who minister to the spiritual needs of the Church shall not lack needed temporal comforts in their years of decline and disability. Let every Methodist layman, whom the Lord has entrusted with the stewardship of wealth, aid us to reach the \$100,000 mark as soon as possible.

If you have money or property which you are willing to give to this Society and yet need the income therefrom during your own lifetime, we will gladly arrange to pay you an annuity, and such annuity will be as secure to you as from any investment you can possibly make.

When you make your will do not forget the name of this Society; put it in just as it is printed at the head of this article. But it will be a wise thing to be your own executor and to help us while you live, so that you may enjoy the sunshine your benevolence brings to the home of the superannuated preacher. Remember that what goes into our Endowment Fund will go on earning dividends for the needy servants of God and the Church long after you have passed over to the land where is neither hunger nor thirst.

Write to the Secretary for information if you need any, and inform him of your benevolent intentions for this worthy cause.

JOHN SWEET, Secretary,
1017 Fourth Ave., Detroit, Mich.

1. The Bureau shall make a careful estimate of the amount necessary to pay the actual traveling expenses of all our effective ministers and probationers and such others as are hereinafter provided, in their journey to and from the annual session.

2. Superannuate members of this Conference shall be considered guests of the Conference and shall have their traveling expenses included in the above estimate, provided that they notify the Secretary of the Bureau in writing of their expectation to be present; this notification to be not later than June first. Their traveling expenses shall be paid only within the bounds of the Conference.

3. Regular supplies who are recommended by the District Superintendent not later than June first, as having been in charge of a circuit or station for six months, shall have their traveling expenses included in the budget of traveling expenses.

4. The Bureau shall apportion to each effective Minister, probationer and recommended supply, on the basis of salary received (house rent not included), his share of the total amount required. The Secretary shall notify him of his apportionment not later than the first of July.

5. The minister or supply, whose apportionment exceeds the amount of his traveling expenses, as estimated by the Bureau, shall pay to the Bureau Treasurer on or before the second day of the Conference session, such excess.

6. The Bureau Treasurer shall pay on or before the last day of the Conference session to all the ministers, probationers or supplies (recommended), whose estimated traveling expenses exceed their apportionment, such excess or their pro-rata share of the funds collected.

7. Supernumerary members of this Conference, who shall indicate to the Secretary of the Bureau, in writing, not later than the first of June, their expectation of being present at the Conference session, shall have their traveling expenses paid within the bounds of the Conference, and they shall share in the apportionment of the budget of expense, on the basis of the salary received by them in the last year of their effective relation.

8. All members of the Conference receiving Special Appointments shall neither share in the apportionment of traveling expenses nor receive from the amount so raised, unless by the special action of the Conference at its preceding session.

9. Any member of this Conference (or supply) failing to pay at the proper time the amount due from him to this fund, shall be deemed unwilling to meet his fair share of the burden of traveling expenses necessitated by the Conference sessions and shall have no claim on the Bureau until such apportionment is paid, with such additional forfeit as the Bureau may determine.

10. After thirty days from the adjournment of Conference all moneys unclaimed by those to whom the Bureau has declared a balance shall be declared forfeited and shall be returned to the General Fund for redistribution at the next Conference.

Rules of Order.

Adopted in 1869, Modified in 1875, and Adopted at Each Session Since.

1. The Conference shall meet at 8½ o'clock A. M., and adjourn at 12 M., but may alter the time of meeting and adjourn at its discretion.
 2. The President shall take the chair precisely at the time to which the Conference stood adjourned. The first half hour of the session shall be devoted to religious services, and thereafter the journals of the preceding day shall be read and approved.
 3. The President shall decide all questions of order, subject to an appeal to the Conference; but, in case of an appeal, the question shall be taken without debate.
 4. He shall appoint all Committees, not otherwise specially ordered by the Conference, but any member may decline serving on more than one Committee at the same time.
 5. All motions and resolutions introduced by any member shall be reduced to writing, if the President, Secretary, or any member of the Conference requests it.
 6. When a motion, resolution, or report presented is read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference, but any motion or resolution may be withdrawn by the mover at any time before action or amendment.
 7. No new motion or resolution shall be made before the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following should intervene, which motions shall have precedence in the order in which they are placed, viz.: Indefinite postponement, lying on the table, reference to a Committee, postponement to any given time, or amendment.
 8. No member shall be interrupted when speaking, except by the President, to call him to order when he departs from the question, uses personalities or disrespectful language; but any member may call the attention of the President to the subject when he deems the speaker out of order, or any other member may explain when he thinks himself misrepresented.
 9. When any member is about to speak in debate, or deliver any matter to the Conference, he shall rise from his seat and respectfully address himself to the President.
 10. No person shall speak more than twice on the same subject, or more than fifteen minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
 11. When any motion or resolution shall have passed, it shall be in order for any member who voted with the prevailing side to move a reconsideration.
 12. No member shall absent himself from the services of Conference without leave, unless he is sick or unable to attend.
 13. No member shall be allowed to vote on any question who is not within the bar of the Conference at the time such question is put by the President, except by leave of Conference, when such member has been necessarily absent.
 14. Every member who shall be within the bar at the time the question is put shall give his vote, unless the Conference, for special reasons, excuses him.
 15. No motion shall be considered unless seconded.
 16. The Secretary shall keep a journal of the proceedings of the Conference, and, when approved, shall record them in a book provided for that purpose. He shall take charge of the journal and other papers of the Conference, and preserve them with care; suffer no person to take a copy of any paper during the interval of Conference, except with the consent of the Conference; and shall forward the journal and papers to the next Annual Conference.
 17. A motion to adjourn shall be in order at any time, and shall be decided without debate.
 18. No preacher shall bring any charge against any member of this Conference until he has first given him information of the same, either by letter or otherwise, ten days in advance, if practicable, so that the accused may have an opportunity for defense.
 19. When any brother intends to object to the passage of another's character, it shall be his duty to hand the name of the person against whom objections are to be made to the President of the Conference.
 20. Two-thirds of the members present, and voting, may order the previous question on a pending motion.
- [A motion to table an amendment to a resolution does not carry the resolution to the table.]

Regulations.

1. The Conference has requested the District Superintendents to present the names, as candidates for admission on trial in the Conference, of such persons only as have attained the equivalent of a twelve-grade high school education, and are under thirty years of age. But time previously spent either in supply work or in one of our schools in preparation for the ministry, shall be allowed in credit.

2. Each candidate for admission on trial shall obtain from his District Superintendent, before being admitted to examination, a written statement that said District Superintendent intends to present his name to the Conference.

3. Each candidate for admission on trial, for admission into full membership or for ordination as local deacons or local elders, must appear before the Committee on Ministerial Equipment during the first days of the Conference session, which committee shall examine the candidate as to his personal attitude to the doctrines and discipline of the Church.

4. The examination of candidates for admission on trial and for ordination as local deacons and local elders will be held at the seat of the Annual Conference the day before the opening session. If desired, the examinations for the above purposes can be taken at the midyear examinations, as indicated in the schedule. According to the ruling of the Bishop no person can be received on trial, nor elected to Deacons or Elders orders while conditioned in any study.

5. A properly authenticated certificate showing that a candidate has already pursued and passed a satisfactory examination in a prescribed study as a regular attendant on the class room instruction, in any of our regular Theological Seminaries, Universities and Colleges approved by our University Senate, will be received in lieu of conference examination.

6. Similar certificates will also be accepted in all studies not biblical or theological from other than Methodist Schools, if of equal grade with those approved by our University Senate. The examiner in each particular case must satisfy himself as to whether the work done is a fair equivalent or not.

7. No credits, except such as may be presented from our own schools, shall be allowed or accepted, unless presented at least four weeks just preceding the date of the annual Conference: and District Superintendents shall be required to rigidly observe this rule.

8. A certificate of graduation from one of our regular Theological Seminaries will be accepted in place of an examination in all the biblical and theological studies. Also a certificate of graduation from one of our regular colleges will be accepted in place of an examination in all literary studies of the various courses.

9. A certificate of admission to any high school or academy of good standing will be accepted in place of an examination in "Elementary English." A certificate of graduation from any such school will be accepted in place of an examination for "English Branches."

10. Certificates presented for credit should show the amount of time given to the subject, text books used, and the year in which the work was done.

11. There will be two midyear examinations during the year. The first will be held at 9 a. m. on the last Tuesday in April, and the second on the first Tuesday in August, at such places as may be determined by the Chairman of the Board. The places to be duly announced in the "Michigan Christian Advocate" at least two weeks before the time of Examination in each case. At such examinations candidates can write only on the studies as prescribed in the above schedule.

12. All candidates are required to appear at the midyear examinations, writing upon the subjects as prescribed in the above plan, or furnish satisfactory excuse to the Chairman.

14. Each candidate shall file with the Registrar on the Tuesday preceding the opening of the Annual Conference a written statement that he has read all the books "To be read." No substitutes for books to be read will be accepted. This rule applies also to candidates for local deacon's orders.

15. Sermons and essays may be sent to the Registrar at any time providing sufficient postage is enclosed to allow the Registrar to forward same to the proper Examiner, otherwise they may be handed in at the midyear examinations. They should be handed in as early in the year as possible. This rule applies also to candidates for local deacons orders.

All sermons, essays and papers, also certificates, will be returned to the annual Conference where the candidate can secure them.

16. All sermons and essays should be in the hands of the Registrar at least one month before the Conference convenes.

17. Sermons, essays and examination papers shall not be signed, but the name of the candidate shall be written on a separate sheet and attached to each of his papers. The Registrar shall forward all papers to the proper Examiner without the candidate's name, but accompanied by the number corresponding to the number of the candidate's name on the registrar's roll. For sermons, essays, examination papers and fees a receipt shall be given the candidate.

18. By order of the Conference each candidate is required to pay annually, at his first examination, a fee of one dollar. Unless the fee is paid no papers of the candidate can be forwarded by the Registrar to the several examiners.

19. Each examiner shall prepare and send to the chairman at least one month before the time of the midyear examination two different lists of at least ten questions on each subject assigned him; one list to be used at the midyear examination and the other to be used at the Conference examination. Each examiner is expected to furnish such information and suggestion concerning the books or subjects assigned him as will be most helpful to the students pursuing the course of study and preparing for the examinations. Students are invited to consult personally or by letter with the examiners concerning any difficulties connected with their work. The examiner shall grade and mark the papers, essays and sermons on a scale of 100, and the candidate must attain a standing of 70 in order to pass. After an examiner has marked and delivered a paper to the Registrar he shall have no authority to change the marking without the consent of the Board.

20. All examinations shall take place in the presence of a member of the Board or of a Supervisor appointed by the Chairman, who shall collect the fees, papers, sermons and essays, receipting for same, and shall forward them immediately to the Registrar.

21. At the several examinations the subjects will be taken up in the order in which they appear in this schedule. After a class has written upon a set of questions, no absentee shall be permitted to write up on the same set without consent of the Board, or of the conducting examiner or supervisor. The candidate shall be required to finish writing on one study before receiving questions on another.

22. In case any candidate fails in examination on any subject, the Board of Examiners shall review his case for final marking. The candidate, if so desiring, may appear before the Board.

In some cases they last longer. They never need repairs. They're fire-proof, storm-proof. They reduce the cost of insurance, and they're easy to lay. They preserve the building too, by keeping out dampness: so if you want a thoroughly cozy home in winter, and a cool house in summer, you can't do better than see that Cortright Shingles are used for the covering.

A BIG DIVIDEND

The Methodist Book Concern

has this year set aside **\$200,000** from its profits for the superannuated preachers, and if you gave your patronage to the house, you helped to do it.

The Detroit Depository is in this State for your accommodation and is fully equipped to do even a larger business than at present.

Will you not let us have your patronage instead of sending out of the State for what you need? We can get any book for you if not in stock.

Nervousness and Exhaustion

When weary and languid, when the energies flag and you are completely exhausted and worn out, there is nothing so refreshing and invigorating as

Horsford's Acid Phosphate

(NON-ALCOHOLIC)

Its revivifying effect will throw off the depression that accompanies exhaustion and nervousness; strengthen and clear the brain that has become tired and confused by overwork and worry, and impart new life and vigor to the entire system.

An Ideal Remedy in Nervous Disorders

If your druggist can't supply you, send 25 cents to RUMFORD CHEMICAL WORKS, Providence, R. I., for trial size bottle, postage paid.

Will You Believe It?

The greatest cause of disease is POISONOUS GERM ACTIVITY. (Bacilli)

Such germs cannot live in Tiger Oil, therefore Tiger Oil is a germicide and cures more than fifty diseases.

Do not take it clear internally, but in at least 20 times as much water, or sweetened water. It should be applied clear externally, rubbing thoroughly over all pain or disease until better. The dose differs according to age and disease. The common dose for an infant is $\frac{1}{2}$ a drop to 1 drop. An adult dose is a teaspoonful, but in such diseases as Dyspepsia, Diabetes, Chronic Kidney Diseases, nervousness, etc., $\frac{1}{2}$ a teaspoonful in a tumblerful of boiled water half an hour before each meal. In La Grippe, Neuralgia, Colds, Inflammations, Erysipelas, Diarrhoea, Catarrh, Sore Throat, and such diseases, one teaspoonful every hour. In Croup, Pain, Colic, Cholera Morbus, Cholera Infantum, a common dose every 15 to 30 minutes. But in such diseases as Cholera, Yellow Fever, Sunstroke, Fits, Delirium Tremens, Paralysis, Cerebro Spinal Meningitis, from 1 to 2 common doses every 10 to 15 minutes, with continual rubbing with TIGER OIL over head, back and seat of disease. Give to stock from 10 to 20 times more at a dose than to man. Testimonials sent on application, but to use TIGER OIL is the best proof of its merits.

Ask your druggist for it, or send 50 cents to

DR. JOHN LEESON, of Cadillac, Michigan

and get a 50-cent bottle by mail.
